

Blacktip Solutions

Precision | Speed | Focused Execution

Blacktip Solutions delivers program management, process optimization, and administrative support services that drive measurable improvements in performance, compliance, and operational efficiency. We build high-functioning teams, streamline complex workflows, and implement execution frameworks across healthcare, intelligence, cyber, space, and defense missions. Our disciplined, outcome-oriented approach reduces risk, enhances delivery, and ensures success in compliance-driven environments across both federal and SLED landscapes.

Core Competencies

Surge Staffing & Workforce Optimization

Rapid-response staffing solutions with streamlined onboarding, workforce planning, and scalable support for critical mission requirements.

Strategic Planning & Executive Support

Comprehensive executive support including policy development, high-level administration, strategic planning, and organizational change management.

Business Process Improvement & Compliance

Process optimization services with compliance tracking, audit readiness, and the development of standard operating procedures (SOPs) to ensure operational excellence.

Federal Program & Project Management

End-to-end program and project management expertise covering program planning, risk management, performance reporting, and contract administration.

Past Performance

- Delivered cleared administrative and cyber support to U.S. Air Force units, ensuring mission continuity in sensitive environments.
- Provided healthcare staffing programs for both state and federal agencies, supporting compliance, quality assurance, and patient care delivery.
- Executed rapid-response surge staffing and contract startups across DoD and DHS portfolios, enabling immediate mission support.
- Led university system optimization initiatives and economic development programs, improving operational efficiency and stakeholder engagement.
- Managed full-spectrum delivery of operations, staffing, and compliance in both prime and subcontractor roles, consistently meeting performance and regulatory standards.

Key Agencies Supported

(Representative experience from our leadership)

- Department of the Air Force (USAF)
- Department of the Army (USA)
- Defense Health Agency (DHA)
- Department of Homeland Security (DHS)
- Department of Education
- Intelligence Community Elements
